

SUCard

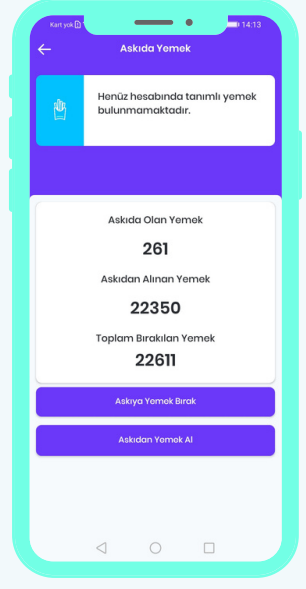

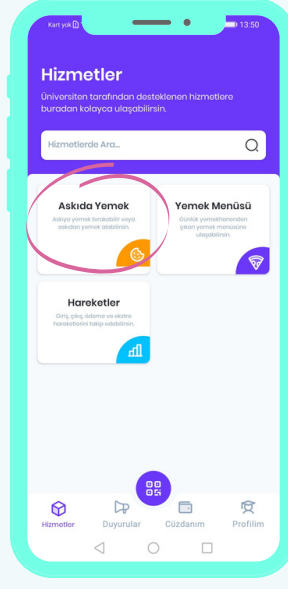

HOME > SERVICES

To use the "Askıda İkramlar" application, you can first click on the "Services" button on the application's home screen.

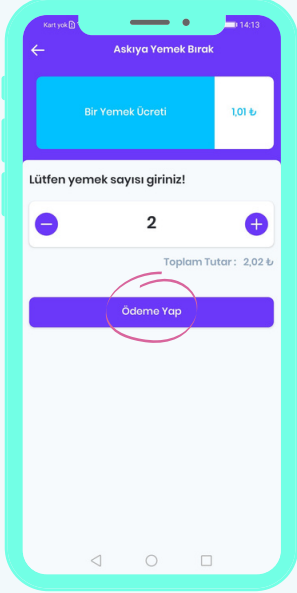

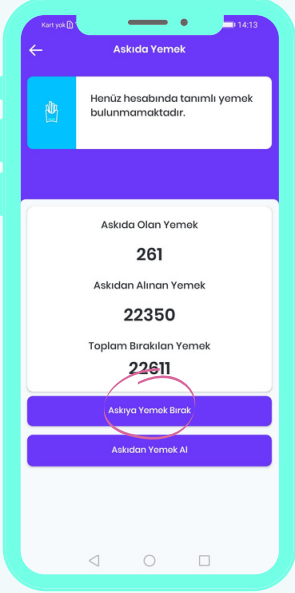

SERVICES > ASKIDA İKRAMLAR

You can select the title "Askıda Yemek" from the screen that opens, and you can see the number of available meals in addition to the total number of meals donated and received so far. You can see at the top of the screen whether there are any meals defined in your account.

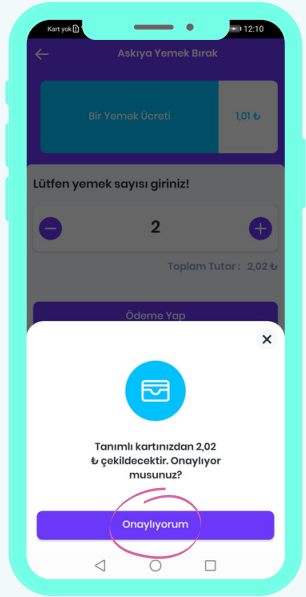

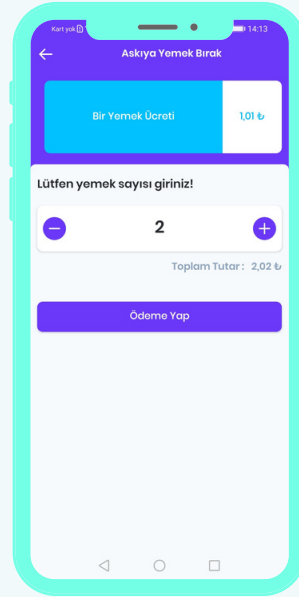

ASKIDA İKRAMLAR > TREAT A PERSON TO A MEAL

When you click the "Askıya Yemek Bırak" button, you will be directed to the "treat a person to a meal" screen. At the top of the screen, you can see the price of the meal, and at the bottom, you can see the section where you can specify the number of meals you want to pay for. According to the number you choose, the total payment amount will be shown at the bottom. You can proceed to payment by clicking the "Pay" button.

TREAT A PERSON TO A MEAL > PAY

In the payment step, you will see the amount to pay on the screen. You can complete the payment by clicking the "Confirm" button.

RECEIVE A TREAT

If there is any available meal paid for by someone else, you can receive a meal in your account by clicking the "Receive a Meal" button and clicking the "Use Now" button to have the meal in your account. When you press the "Use Now" button, the QR code reading screen will open. You can pass for free by scanning the QR code at the cafeteria payment point.
